#### The Sun Council of Alcyone speaks about the Alcyone Light Portal

We, the Sun Light Council of Alcyone, are radiant beings of pure light. We have no outer form, but are like suns orbiting around you, which in their union ignite wheels of fire within wheels of fire and multiply out of themselves. We are not statically seated, but permanently circling around you. This is how the wheels of fire are created in wheels of fire, which we multiply from our union and send out into the universe.

Special souls are intended for this Light Portal. They are chosen by our Solar Light Council itself, for they are selected as the light ambassadors of Earth. Everyone who initiates this Alcyone Light Portal receives the light key to our Solar Light Council and acts as a light ambassador. Solar light beings and solar angels enter and leave through this Light Portal. It is the direct entry portal to the Golden Cities of the Solar Light Beings and to the Golden Cities of the Christ Avatars.

The Alcyone Light Portal draws the presence of us, the Solar Light Council, to you. We are preparing the leap into the higher octave for humanity. This means that the whole Earth will be taken into a magnetic pull of Alcyone through this Light Portal. A ring of light from Alcyone will be created around you and around the whole Earth. Your light consciousness is overshadowed, infused and ignited by the light wave of Alcyone.

## How you can work energetically with the Alcyone Light Portal

**Aura harmonization (e.g. for harmonious balancing of energy bodies, energy flow in the aura, strengthening the aura, Merkaba activation, release of external energies):**

You can use the Alcyone light portal in meditations, in private and professional energy work. It is ideal for harmonizing and stabilizing the entire aura (chakras, energy body, etc.).

Simply place it on the respective chakra or aura area or hold it in your hand. Close your eyes, calm your breathing, relax your body and go into complete stillness. Connect with Metatron and the Solar Council of Alcyone by invoking them internally. Ask them to join you in transforming the negative energies and clearing your aura.

**Deep meditation (e.g. for luminous guidance, higher development of the light body, transformation of energetic blockages across time and space, karma transformation):**

When meditating, hold the Alcyone Light Portal in your hand or place it in front of you. You can also meditate lying down and place it on the crown of your head or at your feet. Place it in the centre of a meditation group to be in a protected light space and create a clear, direct channel to higher dimensions. Then connect with Metatron and the Solar Council of Alcyone, open your heart and ask for luminous guidance. You can ask for the transformation of energetic blockages in intensive meditations - both for yourself (e.g. karma transformation) and for higher-level issues (e.g. heartfelt petitions for humanity).

Meditations support the higher development of your light body. For example, regularly listen to the meditations of the seminar (see below), read through the seminar documents or do intuitive meditations and energy work (e.g. aura harmonization) on your own with this light portal.

**Home harmonization:**

The Alcyone Light Portal is ideal for meditation and therapy rooms, possibly also for your bedroom.

**How you can effectively integrate the vibration:**

Place this Light Diamond regularly on your Heart Chakra or take it in your hand, read the initiation channelling and/or this product flyer and go into silence with it.

## Handover with Initiation

Available through participation in the "Ascension into the Solar Light Consciousness" seminar

This is a very personal Light Diamond. During the initiation meditation you were energetically cleansed, prepared and the portal was "adjusted" to you. Do not pass it on to other people. You can use it during an aura harmonization for other people or in a meditation group.

In order to have more joy with your Light Crystals and Light Diamonds, here is some helpful advice.

## Frequently Asked Questions

**What are Light Crystals and Light Diamonds?**

They are energetic light tools that give you more energy for your aura, rooms and your daily life. They support your spiritual development and energy work. The more you use them and integrate them into your life, the stronger you can utilize their light potential.

The high vibrating energy is manifested by angels, Ascended Masters and further illuminated beings and placed into the Litos products (energy carriers are glass, zirconia and other natural materials). Therefore each Light Crystal and Light Diamond is connected with one or more light beings, who lovingly take you by the hand, accompany you and guide you in your next evolutionary step.

The Light Crystals and Light Diamonds support your soul evolution, for they are divine healing crystals for the aura and soul.

**Do the Light Crystals and Light Diamonds need to be energetically cleansed and charged?**

The Light Crystals and Light Diamonds neither need to ever be cleared nor charged (eg. like batteries or gemstones). During the energization process, they have been infused and blessed by angels with their high vibrating energies. What an angels has once touched and blessed remains connected with the divine for eternity. After the energization, the Light Crystals and Light Diamonds are continuously connected to light beings and have the ability themselves to radiate this energy. Their light vibration is so high and pure that no low-vibrating energies can attach to them, rather they are transformed.

**Which is the most appropriate Light Crystal or Light Diamond for me, my child, my house, etc.?**

Our Litos Partners can gladly give you a non-binding consultation about your issue with practical suggestions and tips (eg. in person, per email, over the phone).

**Where can I get the complete initiation channelling?**

You can receive the initiation channelling from your Litos Partner.
