Excerpt from the Channelling by Metatron with Shiva and Shakti:

This Shiva-Shakti Energy frees you from all old structures, rigid systems and programs, as it is in permanent flow, in constant divine motion and exists through the continuous renewal from the flow of eternal life. It is the energy of renewal and transformation by God Himself.

Shiva and Shakti are the embodiment, the presence of this divine energy which forms a basic law in the universe, thus keeping all that exists from hardening. It will be refreshed and revitalized, renewed, suffused with the holiness of love, the holiness of divine transformation. It is the dance of life. It is eternal life itself.

This Shiva-Shakti energy brings eternal life to you, the mystery of eternal life within you, and it will revive, revitalize, refresh and renew every cell, your whole consciousness.

Hence this Amethyst Diamond Essence is **the source of eternal life, eternal renewal and divine transformation.** Amen.
