### **Excerpt from the Channelling by Mother Mary:**

This purest essence, this heavenly source of unconditional love from my heart shall be poured onto you; it warmly wraps you in my coat of beauty, love and grace. You will be raised so that the Goddess may awaken within you, in your heart, and you will be able to see everything through my eyes of pure love; you will live from your heart. It leads you to your innermost Heart Temple where you will experience the beauty of love, unconditionality and purity.

This diamond essence is ideal for all hearts, especially those that feel deep guilt, that feel separated from the Divine. Their soul shall again behold the Goddess' beauty.

My Divine presence embraces you. Your vibration will be Divine, as it opens the portal to your inner Heart Temple, to your Divinity. The inner heart portal will open, since I am the key to the Divine Throne Room within you and also to the universe. The beauty of my love attracts the primal Divine like a magnet of love; and that primal Divine shall lie ensconced in everything where my love and beauty are present.
