### ***Excerpt from the Channelling by Lightlord Metatron:***

Your innermost shall also be like a diamond: purest devotion to the Divine. **This opens the Gate of Bliss within you** and pours infinite grace onto you, you shall be the light bearers of grace for the New Age. What is greater, more beautiful, more radiant, more sublime than being grace for mankind on the threshold of the New Age?

May great delight be with you, just as it is with us – we are also celebrating this day. Since many, many Brothers and Sisters of Light on Earth are opening their heart with the inner longing: **“O Lord, show Thyself. Show us your mercy. Reveal Thyself to us”**. Yes, God’s revelation occurs within you and around you. This planet’s vibration shall be raised again – a new octave. Light is coming in from everywhere in the cosmos, from everywhere in the universe through innumerable channels of light.

And this is a particularly pure, diamond ray - Grace! God’s grace meaning: dissolution, salvation. Entrust everything to this flow of grace, whatever may concern you, be it personal issues of your life or be it for others, for this Earth, for this creation, for mankind, animals, plants or for the entire creation. Entrust all your pleas to this flow of grace.
