Saint Hildegard speaks about the Light Wand in an initiation channelling

My light is active in matter through these Light Wands and also in you. In that moment when you call me, I stand beside you in manifested form, guiding, directing and leading you. This happens with great care, tenderness and attentiveness. (...)

These Light Wands bring - according to my powers of authority - well-being, health and the healing vibration of heaven on all levels. They bring you the nourishment for your light body, which it needs so that it can heal. At the same time they give light nourishment for your physical body, the light frequencies and light information of all that your physical body now needs in healing frequency and nourishment. (...)

This Light Wand leads specifically those light frequencies to you that enable you to enter into a healthy and healing cycle of creation down to the physical level.

The Light Wand also supplies you with the missing elements in spiritual frequency as light information. It works like divine homeopathy and very concretely.

With this Light Wand, you call my power of authority to you. Touch (...) painful body parts with it. Touch your Root Chakra with it so that the immune forces are strengthened, and the self-healing powers are activated.

How to work energetically with the Light Wand of Saint Hildegard

Energize drinks, food etc.:

Take the Light Wand in your hand and bless everything together with Saint Hildegard, for example by holding the Light Wand over your food and drinks. Put it with your fruit, next to your drinks, on the dining table, etc. Bless everything that has to do with your physical well-being, especially medicines and food supplements. Go out and bless your garden, the fields, nature. A tip from Saint Hildegard in the initiation channelling: "Leave a glass of water with this Light Wand overnight (do not immerse it in the liquid, just place it next to it) and ask for celestial healing frequencies for yourself or for someone you care for. You can also write down the name on a sheet of paper and place the glass on it with the Light Wand beside it. Ask me to allow the healing frequencies to flow in overnight. Drink the glass in the morning or spread it out over the day. Repeat this and remain in trust."

Harmoniously balancing of the energy body (transformation of energetic blockages, liberation of external energies, strengthening of your own energy field) & luminous guidance:

If you want to cleanse your physical body and your light bodies, place the Light Wand on your Heart Chakra or on another desired body part. You can use it as a support for healing energy work such as aura harmonization and spiritual surgery. Saint Hildegard recommends in the initiation channelling to say this prayer: *"Beloved Saint Hildegard, beloved light sister of heaven, come and give me the light and healing frequencies that my physical body and light body needs at the moment. You have the overview and know exactly the colour and sound frequencies as well as the divine light information that lead my physical body and light body to healing."* Then ask for inspirations for yourself. Ask Saint Hildegard questions and open yourself to her answers.

Ideal to give as a gift:

The Light Wand is a great gift for anyone who wants to bless and light their surroundings. Especially for those who want to deal with their illnesses and their physical body on an energetic level.

Because the Light Wand is so small, you can take it with you wherever you go. Keep it in the case provided.

Frequently Asked Questions

What are Light Crystals and Light Diamonds?

They are energetic light tools that give you more energy for your aura, rooms and your daily life. They support your spiritual development and energy work. The more you use them and integrate them into your life, the stronger you can utilize their light potential.

The high vibrating energy is manifested by angels, Ascended Masters and further illuminated beings and placed into the Litios products (energy carriers are glass, zirconia and other natural materials). Therefore each Light Crystal and Light Diamond is connected with one or more light beings, who lovingly take you by the hand, accompany you and guide you in your next evolutionary step.

The Light Crystals and Light Diamonds support your soul evolution, for they are divine healing crystals for the aura and soul.

Do the Light Crystals and Light Diamonds need to be energetically cleansed and charged?

The Light Crystals and Light Diamonds neither need to ever be cleared nor charged (eg. like batteries or gemstones). During the energization process, they have been infused and blessed by angels with their high vibrating energies. What an angels has once touched and blessed remains connected with the divine for eternity. After the energization, the Light Crystals and Light Diamonds are continuously connected to light beings and have the ability themselves to radiate this energy. Their light vibration is so high and pure that no low-vibrating energies can attach to them, rather they are transformed.

Which is the most appropriate Light Crystal or Light Diamond for me, my child, my house, etc.?

Our Litios Partners can gladly give you a non-binding consultation about your issue with practical suggestions and tips (eg. in person, per email, over the phone).
