Spiritual Potential:

Goddess Shakti invites you into her temple – Shakti, the Goddess of Renewal, gives you the key to her heart – the transformational power of the Goddess effects your entire aura: Shakti immerses you in a cleansing bath for your aura and chakras – your chakras blossom in new radiant power and glory – give yourself the energy of transformation from one dimension to the next: activate the potential of the quantum leap in your soul's evolution – you experience a rise to a higher frequency on all levels in you – transforms energy down to the cell level – you undergo renewal and new creation through the Divine Feminine – you experience the inner transformation of your wounded ego – very good through times of change and a new orientation in your life

Goddess Shakti, the mighty Goddess of Renewal, takes you into her light temple. The eternal divine flame of transcendence and renewal radiates from the centre of this temple

Shakti's Goddess Presence floods you and transforms you down to the core of your soul. Through her love she sees the beauty and glory in you and brings this to shine. She brings forth that which is hidden within you. She touches you innermost divinity and places her key of renewal within you. You are continuously rejuvenated as she bathes you in love. Embraced in her love, you can be reborn again.

Possible Uses:

Aura harmonization, karma transformation, transforming energetic blocks, energizing water.

The Shakti Pearl is a real multi-talent. You can always wear it in your aura. You can lay it on a chakra during a meditation. Or you can take a Shakti Pearl in each hand and allow the energy to flow through the hand chakras into all energy channels of the body and into further chakras.

Place a Shakti Pearl into your bath water and allow yourself to be cleansed by the gentle Goddess energy!

Excerpt from a Channelling by the Light Council of the Goddesses and Goddess Shakti:

The Light Council of the Goddesses speaks: You are invited into the Temple of Goddess Shakti. Shakti is a primordial Goddess light frequency and is a primordial mother of the Universe. Shakti is a builder of worlds, of light systems, star regions, worlds upon worlds, for she is the eternal renewer. She is the Goddess of Renewal. The Shakti frequency is a continuous renewing power that incessantly creates out of the purest divine primordial source and streams out the frequency of renewal in to the universe. She stands for the primordial divine feminine, for new creation and renewal. Her temple is continuously illuminated with light, which brings forth transformation, transcendence and evolution. Shakti represents the new birth on a higher level, in a new dimension and the birth of a new life.

Goddess Shakti speaks: The Shakti Pearl is ignited and initiated through the eternal divine flame of transcendence. She helps you especially in times of change and new orientation in your life. Through the transformational powers of the Shakti Pearl, you experience an increase in vibration in all chakras, energy bodies, yes on all levels of your being.
