Archangel Metatron says: Just open your Heart Chakra and welcome the Crystal Angels streaming through this gate into your plane, your dimension, and feel the presence of the Divine.

Excerpt from the Channelling by Metatron El Shaddai:

The energy of this Gate of Ascension is merging with you and opening you, you will be a receptacle for the highest energies. You are merging with the pristine energy of this gate and you will be a gate yourself, a channel for the energies of ascension; the fusion with Oneness, universal consciousness, Divine Unity, your Divine Monad. You yourself are this powerful gate, this Gate of Light. This gate is so mighty, it serves to raise of Earth's vibrational frequency. It connects you directly to Gaia's consciousness, accelerates your developmental rhythm and your evolution, it kindles your next octave of evolution, it raises the vibrational frequency of the evolutionary spiral. This is what I, Metatron El Shaddai, bring about when you connect with me through this Gate of Ascension. I suffused it with light from my highest Divine Realm. It is a powerful gift in order to open your own inner Gate of Ascension. You shall be the channel and serve ascension for the benefit of yourself and the whole Earth. This is the most pristine, noblest energy of this Gate of Ascension.
